

Pizza cutter heavy-duty HENDI Pizzer

618127

HENDI PIZZER is a professional heavy-duty tool designed by the renowned Dutch designer Robert Bronwasser – it's functional, ergonomic, and stylish. The PIZZER features a high-quality, large and thick blade which enables smooth cutting of any type of pizza. Whether it's classic thin crust or thick pan-style, HENDI PIZZER ensures quick and effortless cutting. The product weighs a hefty 325 grams, indicating its strength and high quality. The handle is made of polypropylene, while the blade and other components are made of reliable 18/8 stainless steel – together they form a solid construction with an extremely effective blade, capable of handling intensive use. The blade is secured with strong, flat rivets – unlike traditional screws, rivets provide higher hygiene standard as they do not accumulate residue from the sliced products. The cutter is slightly curved and perfectly balanced, resulting in a more ergonomic operation. The handle has a hanging hole for convenient storage by hanging the tool on the wall. Dishwasher safe – ensuring easy cleaning.
