Meet the professional meat grinder!

The Combisteel meat grinder is the perfect solution for quickly and efficiently processing meat, whether you work in a butcher shop, restaurant, or catering business. This meat grinder combines power, ease of use, and durability to meet the demands of any professional kitchen. With its sturdy stainless steel housing, powerful 400V connection, and a blade with a diameter of 220 mm, this meat grinder is a reliable and versatile choice for daily use. Dimensions: 479x420x416 mm (LxDxH) – power: 1.1 kW – capacity: 250 kg per hour – weight: 33 kg

Key features:

- **High capacity:** Process up to 250 kg of meat per hour, ideal for busy kitchens.
- **Durable design:** Made entirely of stainless steel for long-lasting use and easy maintenance.
- **Flexible processing:** Supplied with 3 cutting plates of 3, 6, and 8 mm for various applications.
- **Precision:** Equipped with a blade diameter of 220 mm for precise and consistent processing.
- **Available in multiple versions:** Choose from a 230V version, a smaller capacity of 150 kg per hour, or a larger version with a capacity of 500 kg per hour (400V).

This professional meat grinder gives you the power and flexibility you need to grind meat quickly and easily. Order now and elevate your workflow to the next level!
