

HOT BUFFET GN 5/1

€2,435.00

SKU:

7078.0035

Discover our high-quality hot buffet GN 5/1!

This versatile heated buffet is ideal for restaurants, hotels, caterers, and other foodservice establishments where freshness and presentation go hand in hand. Thanks to the spacious GN 5/1 format, this buffet offers ample capacity to present various dishes at the right temperature. The stylish and robust design, finished in mahogany, fits seamlessly into any professional environment. The efficient heating technology ensures dishes remain at the desired temperature, while the LED lighting provides a modern look and optimally illuminates the dishes for your guests. The dimensions are 1900x700x1400 mm (LxDxH) - power consumption 3 kW - temp. +30/+90°C - weight 125 kg.

Key Features:

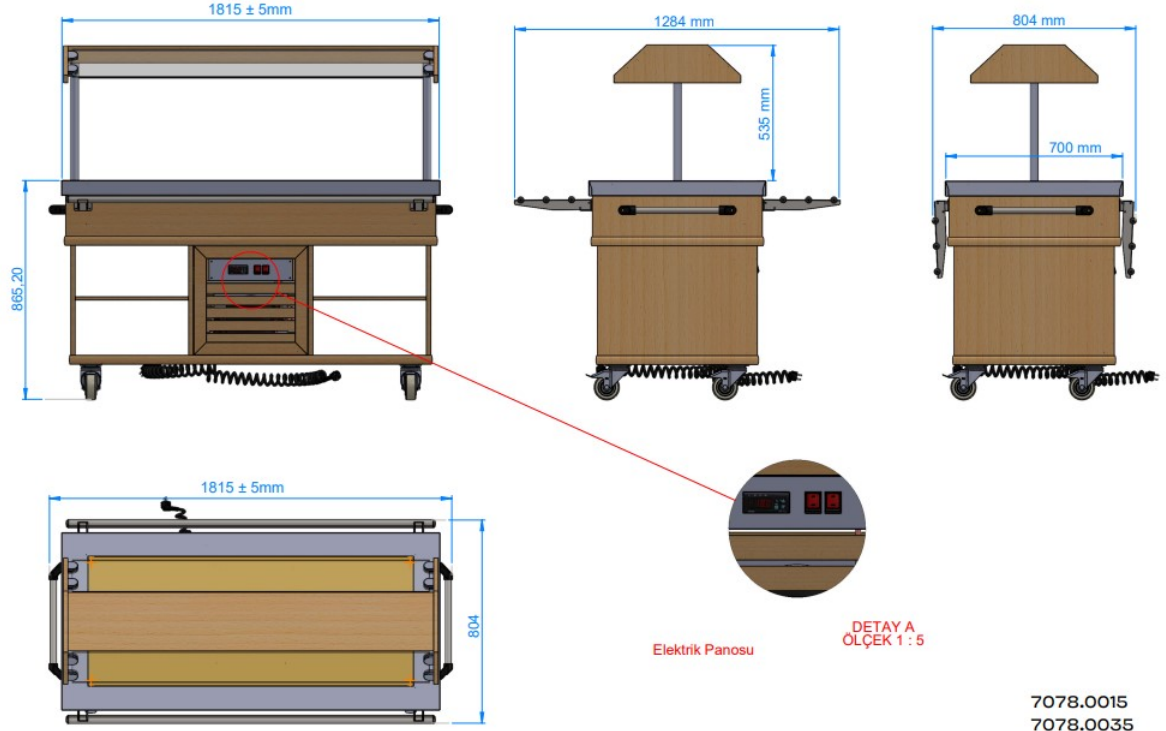

- **Spacious GN 5/1 format** – provides ample space for multiple gastronorm containers.
- **Efficient heating technology** – keeps dishes at the right temperature without air circulation.
- **LED lighting** – for a modern look and optimal visibility of the dishes.
- **Foldable rails** – for easy use with trays, perfect for buffets.

Whether it's a breakfast buffet, lunch presentation, or dinner buffet, this hot buffet GN 5/1 offers the perfect balance of functionality and style. Order today and present your dishes at their best!
