

REFRIGERATED BUFFET GN 5/1

€2,680.00

SKU:

7078.0015

Discover our high-quality refrigerated buffet GN 5/1!

This versatile refrigerated buffet is ideal for restaurants, hotels, caterers, and other hospitality establishments where freshness and presentation go hand in hand. Thanks to the spacious GN 5/1 size, this buffet offers ample capacity to present a variety of dishes kept cool. The stylish and robust design, finished in mahogany, fits seamlessly into any professional environment. The efficient static cooling system ensures that food remains at the right temperature, while the LED lighting offers a modern look and highlights the dishes for your guests. The dimensions are 1900x700x1400 mm (LxWxH) – power consumption 0.35 kW – temperature +4/+8°C – weight 135 kg.

Key features:

- **Spacious GN 5/1 size** – offers plenty of room for multiple gastronorm pans.
- **Static cooling** – keeps dishes at the right temperature without air circulation.
- **LED lighting** – for a modern look and optimal visibility of the dishes.
- **Foldable rails** – for easy tray use, ideal for buffets.

Whether it's for a breakfast buffet, lunch presentation, or dessert station, this refrigerated buffet GN 5/1 provides the perfect balance of functionality and style. Order today and always present your dishes at their best!
